RECEIVED MAY 2 2002

Mr. Sid Hales
QUANTEX TECHNOLOGIES INC.
25 Akerley Boulevard
Dartmouth, NS B3B 1J7

Dear Mr. Hales:

This is to certify that Quantex Technologies Inc. has received a Nova Scotia carrier registration number enabling your company to transport waste dangerous goods in Nova Scotia. The registration number is as follows:

NSC000151

This number is to be used for all manifested shipments.

All transportation of goods associated with this number is to be done in accordance with the Transportation of Dangerous Goods Act, 1992 and Regulations. Also, dangerous goods training and insurance confirmation must be updated when applicable.

Sincerely yours,

Christine Hodgson
Clerk
