## Registration of Undertaking for Environmental Assessment ENVIRONMENT ACT

This is to advise on October 11, 2017, Dexter Construction Company Limited registered the Williamsdale Quarry Expansion Project for environmental assessment, in accordance with Part IV of the *Environment Act*.

The purpose of the proposed undertaking is to expand the existing quarry located at 1736 Wentworth-Collingwood Road in Williamsdale, Cumberland County, Nova Scotia. It is noted that the existing quarry has been in operation as a Nova Scotia Environment approved quarry since 1998. The land associated with the expanded quarry will occupy a maximum of 31.3 hectares, which includes the existing quarry footprint. A project life of up to 40 years is expected. The expanded quarry will support continued extraction and production of quality aggregate of approximately 50,000 tonnes/year, for use primarily in the road construction industry in Cumberland and Colchester Counties. It is intended that the future use of the quarry will be identical, or very similar, to what has taken place at the site since its inception.
