

Application for Approval

Division 5 – Industrial

Office Use Only

Date Received: (yyyy/mm/dd) _____ Application # _____
Fee submitted: ☐ Yes ☐ No Amount: \$ _____

Print or Type. Complete Sections 1, 2, 3, 4 and 7 for **ALL** Applications.

Complete areas of Sections 5 and 6 that are applicable to the specific activities of this application only.

If information submitted is incomplete, or if supporting documentation is of poor quality (plans, maps, etc.) the process may be delayed, or the application may be returned or rejected.

All applicable application fees must be submitted with application. For fees go to:

<https://novascotia.ca/just/regulations/regs/envfees.htm>

Type of Application: ☐ New Application ☐ Renewal ☐ Amendment ☐ Transfer

If applicable, provide the previous Approval # _____

Section 1 Applicant

If there is more than one applicant, attach a complete list of applicants with the information below.

Company/organization/municipality Business number (BN) (if applicable)

First name Middle initial Last name

Primary phone number Ext. Secondary phone number Ext. Fax

E-mail

Civic/street address

Mailing address (if different than Civic)

Community County Province Postal code Country

Note: Following application decision, all correspondence will go to the applicant.

Preferred method of contact? ☐ Email ☐ Paper

Applicant type (if applicable): ☐ Municipality ☐ Recognized Agent ☐ Professional Engineer

☐ Other If other, specify _____

Certification number (if applicable) _____

Section 2 Application Contact

Is the Application Contact the same as Section 1 Applicant? ☐ Yes ☐ No

If yes, skip to Section 3.

If there is more than one contact, attach a complete list of contacts with the information below.

Company/organization/municipality Business number (BN) (if applicable)

First name Middle initial Last name

Primary phone number Ext. Secondary phone number Ext. Fax

E-mail

Civic/street address

Mailing address (if different than Civic)

Community County Province Postal code Country

Note: Following application decision, all correspondence will go to the applicant.

Preferred method of contact? ☐ Email ☐ Paper

Contact type (if applicable): ☐ Recognized Agent ☐ Professional Engineer
☐ Other If other, specify _____

Certification number (if applicable) _____

Section 3 Site/Location of Proposed Activities

Property Identification numbers (PID) are available at the Nova Scotia Land Registry.
If more than one Site, attach a complete list with the information below.

Site name

Is this a Mobile or Fixed Location Facility? ☐ Mobile ☐ Fixed

For each property associated with this site, fill out the information below. If the activity/facility covers more than one property, copy and attach the additional information.

Civic/street address

Lot number

Community

County

Property identification number(s) (PID)

Location of activity/facility:

Use NAD83 or WGS84

Easting (6 digits)

Northing (7 digits)

Zone

Additional directions to site (if applicable)

Section 4 Activity

Proposed Activity Check (✓) all that apply.

Section 5 Activity Details

Complete Section 5A and all other applicable sections to the best of your knowledge. Provide all information requested in metric units indicated.

5A

Type of work (select all applicable): ☐ Construction ☐ Operation ☐ Reclamation

Proposed Project Dates (if applicable)

Start date: _____ End date: _____
 Construction (yyyy/mm/dd) Operations (yyyy/mm/dd) Activities (yyyy/mm/dd)

Proposed operating schedule: _____
 Hours/Day Days/Week Weeks/Year

5B

Waste disposal content: ☐ Solid ☐ Liquid ☐ Both Solid and Liquid ☐ Not Applicable

Waste disposal location: ☐ Municipal sewage treatment facility ☐ Other
☐ Both Municipal and Other ☐ Not Applicable

If Other, specify: _____

Application for Approval

Division 5 – Industrial

5C

Waste containment structure? ☐ Yes ☐ No

5D

Size of activity (hectares) _____

5E

Above water table? ☐ Yes ☐ No

Type of material: ☐ Clay ☐ Sand ☐ Sand and gravel

☐ Slate ☐ Soil ☐ Soil and gravel ☐ Other aggregate without blasting

☐ Other, specify: _____

5F

Volume of sulphide bearing material (cubic meters) _____

5G

Number of animals processed annually _____

5H

Storage tank limits: maximum storage capacity (Litres) _____

5I

Is this facility handling out of province waste? ☐ Yes ☐ No

5J

Transportation of dangerous goods (TDG) classified? ☐ Yes ☐ No

TDG Classification _____

5K

Purpose of facility: ☐ Human ☐ Animal ☐ Both New facility: ☐ Yes ☐ No

5L

One meter above groundwater? ☐ Yes ☐ No

Section 6 Supporting Documentation

All supporting documentation is to be submitted in accordance with the “Approval and Notification Procedures Regulations” <https://www.novascotia.ca/just/regulations/regs/envapproval.htm>.

If applicable, the following documents must be submitted with this application; however, additional information may be requested.

Note: A legend must be supplied for all mapping describing symbols used, scale and north orientation.

6A All Applications

Description	Waiver		Reason Waiver Requested
	Submitted	Requested	
Proof of ownership/agreement/legal right to conduct activity on the site	<input type="checkbox"/>	<input type="checkbox"/>	
Site Plan or Survey	<input type="checkbox"/>	<input type="checkbox"/>	
Detailed plans/specifications	<input type="checkbox"/>	<input type="checkbox"/>	
Detailed description of activity	<input type="checkbox"/>	<input type="checkbox"/>	
Substance description and controls	<input type="checkbox"/>	<input type="checkbox"/>	
Explanation of substances released (not required for Cemetery)	<input type="checkbox"/>	<input type="checkbox"/>	
Description of adverse effect	<input type="checkbox"/>	<input type="checkbox"/>	

6B Attach for Pit, Quarry, or Topsoil Removal Operation

Description	Waiver		Reason Waiver Requested
	Submitted	Requested	
Proof of financial security	<input type="checkbox"/>	<input type="checkbox"/>	
Info required under Checklists/Guidelines/Standards/Policies https://novascotia.ca/nse/resources/publications.asp *	<input type="checkbox"/>	<input type="checkbox"/>	

6C Attach for Quarry

Description	Waiver		Reason Waiver Requested
	Submitted	Requested	
Public consultation description	<input type="checkbox"/>	<input type="checkbox"/>	

6D For Industrial Landfill

Description	Waiver		Reason Waiver Requested
	Submitted	Requested	
Info required under Checklists/Guidelines/Standards/Policies https://novascotia.ca/nse/resources/publications.asp *	<input type="checkbox"/>	<input type="checkbox"/>	
Contingency plan	<input type="checkbox"/>	<input type="checkbox"/>	

6E For Petrochemical Manufacturing, Sulphide Bearing Material Disposal, Leach Mining, Surface Mine, or Underground Mine

Description	Waiver		Reason Waiver Requested
	Submitted	Requested	
Proof of financial security	<input type="checkbox"/>	<input type="checkbox"/>	

6F For Bulk Petroleum Storage Facility, Wood Treatment Plant or Industrial Incinerator

Description	Waiver		Reason Waiver Requested
	Submitted	Requested	
Contingency plan	<input type="checkbox"/>	<input type="checkbox"/>	

Submit application and supporting documentation in hard copy to the nearest Regional office
<https://novascotia.ca/nse/dept/regional-office-locations.asp>

* Documents can be found on the “Publications” and the “Environmental Policy Documents” web-pages, but may not represent a complete list.

Section 7 Declaration

Information in this application package which the applicant considers to be confidential business information should be clearly identified. Are you making this request? ☐ Yes ☐ No

If yes, indicate which information in the Supporting Documentation is considered confidential.

☐ I acknowledge it is an offense under Section 158 of the Environment Act to provide false or misleading information, and confirm to the best of my knowledge and belief the information provided in this form and supporting documentation is true and accurate and complies with the relevant provisions of the Environment Act and Regulations.

Select the option that applies to your situation. (Check (✓) only one)

Provide documentation that outlines this authority.

- ☐ I own the site.
- ☐ I have a lease or other written agreement or option with the landowner or occupier that enables me to carry out the activity on the site.
- ☐ I have the legal right or ability to carry out the activity without the consent of the landowner or occupier.

Name (print or type)

Date: (yyyy/mm/dd)

Applicant's signature

OR

I certify that I am acting with the applicant's full consent and have provided documentation that outlines this authority.

Name (print or type)

Date: (yyyy/mm/dd)
