

Application for Interprovincial Certification Recognition

Watercourse Alteration

If you hold a valid licence or certification issued in another Canadian jurisdiction, you may apply to have it recognized and have a corresponding Nova Scotia licence or certification issued.

An application is considered complete once all required information and documentation has been received by the Department.

Application processing begins once the application is complete.

Information required for this application

Completed application form

Proof of current license for the same occupation from at least one Canadian jurisdiction

Certificate Type and Class	Certificate Number	Expiry Date	
Certificate Type and Class	Certificate Number	Expiry Date	
Certificate Type and Class	Certificate Number	Expiry Date	
Applicant Declarations			
I confirm that I am in good standing in the issuing jurisdiction (the Canadian province or territory outside Nova Scotia that I am relying on for this application) and have no outstanding complaints.			
For all jurisdictions where I currently hold or have previously held a licence/certification, I have disclosed any complaints (including outstanding complaints), and any restrictions, limitations, or variations that have been imposed (if applicable).			
I understand that providing false, misleading, or incomplete information, or failing to disclose relevant information, may result in refusal of my application or the amendment, suspension, or revocation of any Nova Scotia licence/certification issued.			
I authorize the Nova Scotia Department of Environment and Climate Change to verify the information provided in this application with relevant regulatory authorities and/ or other relevant organizations.			
Signature			Date
