

Nova Scotia Pesticide Certification Exam Schedule April 30 – December 10, 2020

If you need pesticide applicator certification between April 30 and December 10 and are not using re-certification points or reciprocity, please register for one of the on-line exam-writing sessions listed below by submitting an Application for Pesticide Certificate to PesticideApplications@novascotia.ca. We'll need to receive it at least 48 hours in advance of the exam. The application form can be found at: <https://novascotia.ca/nse/pests/docs/PesticideCertificationApplicationForm.pdf>.

Please include a valid email address so we can send you the link to the online exam.

This will be a revised single exam with 50 questions, instead of separate exams for Core and Category. Please review the Core and Category manuals before writing the exam. Agriculture, Domestic Vendor and Commercial Vendor categories have one manual. You'll need to get a 75% on the exam to pass.

Once we have received your completed application form, including a valid email address, **we will send you an email the morning of exam containing the link to the exam session.**

You will have two hours to complete the exam. Exams are closed book so you will not be permitted to reference any manuals or other resources during the exam. A pen, paper and a calculator may be required.

If you have problems during the online exam, please call 902-893-5880 for help.

After you have finished, your results will be sent to you either by email or by regular mail. The certification provided by this on-line exam will be valid for **1 year**. If you need to rewrite the exam, you will need to submit another application for the next online exam session.
