

NOTICE

Food Safety has transferred to the Department of Agriculture

Environmental Health has transferred to the Department of Health and Wellness

Please use the information below for permit applications and inquiries.

Permit Applications: Applications for eating establishments, food shops, seasonal food permits, and temporary food service events can be submitted online.

Food permits: <https://accesstobusiness.snsmr.gov.ns.ca>

Temporary event notifications: www.novascotia.ca/temporary-food-service-event-notification

For general inquiries, please e-mail:

- Food safety: food.safety@novascotia.ca
- Environmental health: environmental.health@novascotia.ca.

Contact an office if you would like to speak to a Public Health Inspector or for in-person permitting services, including food safety, safe body art, childcare, long-term care, and recreational camps.
