Get Growing Support Program Application

Applications will be accepted between **April 1, 2026 and September 30, 2026**

Step 1: Eligibility Requirements

I confirm that all the following conditions are met:

- Applicants new to Programs since 2023 must complete the Program Funding Registration form. Returning applicants must update the form as needed.
- A farm that is currently registered under the *Farm Registration Act*, or Mi'kmaq conducting farming activities in Mi'kmaw communities.
- Provide copies of the previous 2 years of Statement of Farming Activities (T2042, T1273 or Schedule 125 - Farm Revenue: detailing sales by commodity revenue code) to demonstrate an annual gross commodity income of **\$30,000 or less**.
- Current (within five years) Environmental Farm Plan, including schedule A and B for land improvement projects.
- Project quotes are attached.
- Applicant is at least 19 years of age.

Note: The above requirements must be met, otherwise the application will not be processed. Reference program guidelines for eligible projects, project timelines, and claim dates.

Step 2: Applicant Information

Business/Farm Name

Step 3: Business Details and Planning

All participants are encouraged to complete a full business plan and financial documents to help support their growth in the agriculture industry. These documents are not needed for the program; however, all application details below must be provided in full. Work with your local Agricultural Representative or Business Development Officer to discuss your application prior to submission.

First Year Applicant Details

Explain how your business will assist in the expansion of local agricultural production.

What are your top 3 challenges within your business/operation?

What are your top 3 opportunities in your business/operation for the next 12 months?

How will the item(s) for which you are requesting Program funding help grow your business?

Subsequent Year Applicant Details

What growth (quantity, quality) has your business seen since your first year in the Get Growing Program? Has the program helped your business expand your local agricultural production?

If you did not achieve your income goals during your first year in the program, what were your challenges?

If there are identifiable challenges, how will you adapt and change in subsequent years of the program to help achieve your goals and grow your business?

How will the item(s) for which you are requesting Program funding help grow your business?
