

Sustainable Canadian Agricultural Partnership

Competitive. Innovative. Resilient.

On-Farm Technology Adoption Program Guidelines

2023-2024

Version 2

Sustainable Canadian Agricultural Partnership

The Sustainable Canadian Agricultural Partnership (Sustainable CAP) is a five-year (2023-2028), \$3.5-billion investment by federal-provincial and territorial governments to strengthen competitiveness, innovation, and resiliency of the agriculture, agri-food and agri-based products sector. This includes \$1 billion in federal programs and activities and \$2.5 billion in cost-shared programs and activities by federal, provincial and territorial governments.

In Nova Scotia, \$46 million will be invested through a federal-provincial partnership that is linked to five program streams: 1) Building Sector Capacity, Growth and Competitiveness; 2) Climate Change and Environment; 3) Market Development and Trade; 4) Science, Research, and Innovation; and 5) Resiliency and Public Trust.

We support the development of diverse and inclusive industries. We welcome individuals from all equity-deserving communities including but not limited to women, persons with disabilities, Black and African Nova Scotians, Mi'kmaq, Indigenous peoples, 2SLGBTQI++ and racialized individuals, to apply to programming.

Program Objectives

The On-Farm Technology Adoption Program is to enable producers to invest in equipment and processes that provide labour efficiencies, reduce cost of production, increase yields, and support more efficient use of inputs. Specific outcomes for this program include:

- improve productivity through the development and adoption of technology, digitization, and artificial intelligence.
- enhance labour attraction and retention, training, and automation.
- foster the next generation of farmers, considering economic, training, and other barriers to entry.
- pursue economic opportunities through efficiency improvements, reducing and recovering food and other wastes, and growing the bioeconomy.

Eligible Applicants

- Farm
- Mi'kmaq conducting farming activities in Mi'kmaq Communities

Application Process

To apply for the On-Farm Technology Adoption Program:

1. Submit a complete application with all supporting project quotes by **July 31, 2023**.
2. Submit a complete Program Funding Registration Form.

3. Eligible project expenses will be recognized within the Activity Period stated in the table below. Please refrain from making purchases before receiving a Letter of Agreement (LOA) from the Programs Office.

Application Intake	Activity Period	Claim Deadline
April 21, 2023 – July 31, 2023	April 1, 2023 – December 31, 2023	December 31, 2023

Note: An applicant may only complete one application per year.

Approval Process

1. Applications will be reviewed by the Nova Scotia Department of Agriculture (NSDA).
2. If approved, applicants will receive a **LOA** which identifies the eligible project activities, Program funding offered and the terms and conditions under which program funding is approved.
3. Review, sign, and return the LOA to the Programs office within **30 days** of the date of the letter or your program funding will be forfeited.

Claiming Process

1. After Programs receives your signed Letter of Agreement, a **Program Claim Form** will be sent to you.
2. Complete and sign the Program Claim Form by **December 31, 2023**.
3. Attach copies of all invoices for eligible project costs incurred and paid for by the applicant.
4. Attach proof of payment for each invoice – e-transfer confirmation, debit slips, cleared cheques, or credit card/bank statements. (Invoices marked paid and signed by the supplier are not accepted).
5. Submit your claim with the required supporting documentation (Final Reports if required) to the Programs office by the claim deadline.

Note: No payment will be made for claims under \$20.00.

Final Report

Projects approved for program funding may have mandatory reporting requirements. Applicants will receive the reporting template with their claim form if applicable.

Programs that require a final report will be subject to a 25% holdback on their submitted claim if the final report is not submitted at the same time. Final Reports may be made available publicly on the NSDA website and a follow up review may be conducted after project completion.

Leased Land

Eligible projects must be directly applicable to the registered farm qualifying for assistance on agricultural land owned or leased. A copy of the long-term lease (10 years) or rental agreement must accompany the Application for all physical projects applicable to the leased/rented land. It is a condition of approval that the lease be of at least 10 years duration. You must advise us immediately, in writing, if the lease is terminated, if the term of the lease changes or if the identity of the lessor changes in any way (for example, if the lessor assigns the lease or if the lease changes in composition).

Arm's Length Transactions

Program funding will only be offered on transactions (invoices) that involve a supplier/service provider with an arm's-length relationship to the applicant for approved projects. For the purposes of programs, arm's length is defined as individuals who are NOT connected by blood relationship, marriage, common-law partnership, or adoption.

Authority

NSDA shall have the authority to deny an application if there is evidence of misrepresentation of pertinent information or if NSDA believes that an application does not conform to the spirit of the Program.

Evaluation and Audit

Review and evaluation of projects may be carried out by NSDA, Government of Canada or other parties chosen by NSDA for the purpose of audit, analysis, evaluation, program development and determining financial assistance. This review and evaluation process may be conducted prior to project commencement, during work or upon project completion. Applicants may be asked to complete an evaluation survey related to their final claim.

Confidentiality

Applicants consent to the release of their name and the amount of support received under the Program. This specific information is deemed to be public information, to be actively disseminated by NSDA. NSDA may provide any information from an applicant to another public body or a law-enforcement agency in Canada to assist in an investigation, undertaken with a view to a law-enforcement proceeding or from which a law-enforcement proceeding is likely to result. Any other information provided, unless disclosed in the manner and for the purposes stated above, will be subject to the confidentiality and disclosure provisions of the Freedom of Information and Protection of Privacy (FOIPOP) Act.
