

## Healthy Eating in the Workplace Participant Post Skill Building Evaluation Worksheet

This is an anonymous survey. Please do not identify yourself.

*Healthy Eating in the Workplace Guide* is a resource that is meant to assist government employees, members of healthy workplace (HWP) committees, and/or health professionals who are interested in making healthy eating a part of their workplace. The topics included in the **Skill Building** section were:

Setting and Achieving Healthy Eating Goals	Physical Activity and Healthy Eating
Trying and Preparing Healthy Foods	Grocery Shopping and Meal Planning
Achieving and Maintaining a Healthy Body Weight	

This evaluation sheet is meant to gather some data about participants' knowledge once some of the above topics and related activities have been covered. Please list the activities that were implemented in your department for Skill Building:
