Required by anyone in Nova Scotia who wants to access government programs supporting agriculture (including Farm Vehicle Licence Plates) and support the Nova Scotia Federation of Agriculture. Clients may register their farms as they have in the past, but decline membership with the NS Federation of Agriculture and their personal information will not be forwarded to the Federation. All monies collected by the Department related to the registry of farms will be retained to support the work of the Federation of Agriculture. All program related questions, including those related to other financial assistance programs, should be directed to the Registrar of Farms Nova Scotia Department of Agriculture.
