NOTES

1. This plan is to be used as a guide. The location and spacing of each sign should be modified as required to meet the needs of each individual interchange. In modifying a sign location or spacing, the sign designer must consult to authorize any signage changes.

2. Entry ramp signing to be erected in accordance with TRM Manual Procedural PR0009 Signs at 100 Series Entry Ramps.

4. Ramp Speed Signs to be erected in accordance with TRM Manual Policy PC1060 Curve Warning Signs.
