

Tips for Safe Winter Driving

Slow down. It's winter.

- ◆ **Don't drive during a storm.** If you must drive, call **511** to check highway conditions, or **1-888-432-3233** for local road conditions.
 - ◆ **Watch out for "black ice"** when temperatures are just under or just above freezing.
 - ◆ **Adjust your speed to conditions.** If traffic backs up, pull over to let those behind you pass.
 - ◆ **Follow traffic at a safe distance** and don't pass a snowplow that is clearing snow from the road.
 - ◆ **Keep your vehicle in top working order** and equipped with proper winter tires that are in good condition.
 - ◆ **Have a winter survival kit** in your vehicle.
 - ◆ **Don't park on the roadside.**
